

# Caddy

By Estudi Manel Molina

Our Caddy hanging system demonstrates that auxiliary furniture can also be the centre of attention and a statement of style in itself. Either as a wall-based coat hook or a traditional floor-based coat stand, the Caddy collection stands out for its elegance and minimalism, adding a touch of quirkiness to all types of environments.

Nuestra colección de percheros Caddy demuestra que los muebles auxiliares también pueden ser el centro de atención y una declaración de estilo en sí mismos.

Ya sea en su versión de pared o en la tradicional versión de pie, los percheros de la colección Caddy destacan por su elegancia y minimalismo, añadiendo un toque desenfadado a cualquier ambiente.
