

Ottoman Kua

Inspired by life
made by enea

The Kua 4R ottoman features a fully upholstered seat and a fixed four-star aluminium base, which can be polished or lacquered in any of our colours.

It is the ideal complement as a footrest for the armchair from the same collection.

This piece certainly has a place in the home, in waiting rooms in the hospitality sector, and in corporate environments.

Sustainability

- Eco-designed (ISO 14006).
- Solid birch wood from European forests.
- Polyurethane foam free from latex or dangerous substances.
- Selection of upholstery fabrics made of wool, recycled (and recyclable) fibres, or leather.
- The number of components has been reduced, and their ease of separation has been enhanced, to make the end-of-life phase more manageable. All these components are 100% recyclable or reusable.

Certificates

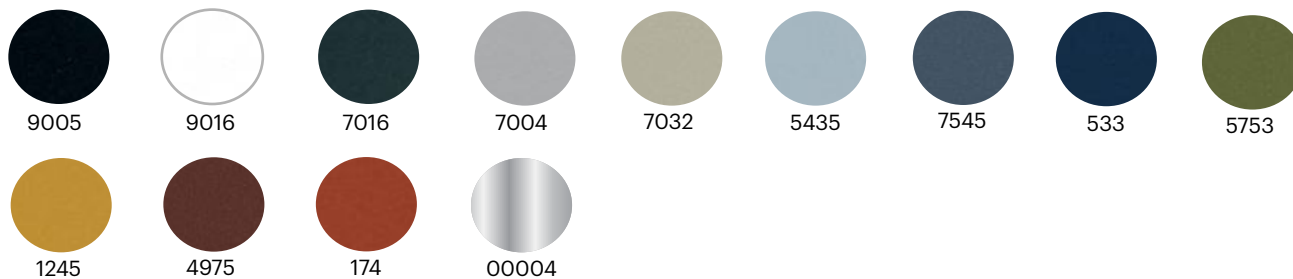

- Environment management system that meets ISO 14001.

Warranty

5 years
