

Kaiak Lounge Chair

Inspired by life
made by enea

Throughout the Kaiak collection, the combination of elegant, slightly curved oak, combined with high-quality upholstery, creates seating that is both cosy and sophisticated.

These softly contoured oak armchairs are relaxed and welcoming, and the ability to customise the upholstery makes them an ideal choice for both domestic and public/professional environments.

Immerse yourself in a world of natural elegance with Kaiak. There's no doubt Kaiak is #InspiredByLife.

Shell

- Wooden shell + upholstered cushion.
- Front upholstered shell + upholstered cushion.
- Full upholstery.

Sustainability

- Eco-designed (ISO 14006).
- Solid oak wood from European forests.
- Polyurethane foam free from latex and hazardous substances, with OEKO-TEX certification.
- Selection of upholstery fabrics made of wool, recycled (and recyclable) fibres, or leather.
- The number of components has been reduced, and their ease of separation has been enhanced, to make the end-of-life phase more manageable. All these components are 100% recyclable or reusable.

Certificates

- Environment management system that meets ISO 14001.
- Indoor Advantage Gold certified (indoor air quality).
