Leku Chair

Inspired by life made by enea

The Leku 4L chair features a polypropylene seat and backrest and a four legged steel frame lacquered in any of our colours.

It is a stackable, lightweight and versatile chair that can be part of a home kitchen or dining room, but can also fit perfectly into any space in the contract and restaurant sectors.

2/9

Its versatility and functionality make it the perfect choice to optimise space and offer great comfort without compromising on style.

Structure

Backrest - seat

Sustainability

-Ecodesigned (ISO 14006).
