

# Noa Stool

Inspired by life  
made by enea

Made of light and durable materials that make handling and strength easier and simpler.

With a beech veneer laminated wood structure with direct bonding to polypropylene to improve its flexibility, and the seat and backrest can have different finishes, this stool is your best ally.

Its contemporary look and smooth contours make it an iconic object, while its wide range of finishes make it perfect for a variety of settings, both domestic and catering.
